00:00 Hi my name is Maria Odtojan and I'm the
00:03 principal solicitor and founder of Odtojan Bryl
00:06 Lawyers Now if you don't know me you
00:08 should know me okay I'm based in Sydney
00:11 Australia and I'm actually known
00:15 for a lawyer who actually fights
00:18 corruption and criminality in our legal
00:21 profession and in the finance sector
00:26 Now, I'm going to show you
00:29 something of what the Law Society of New
00:31 South Wales has done without any lawful
00:36 process, without no due
00:39 process, no adherence to the law, no
00:42 court proceedings, nothing. and they
00:45 have simply
00:47 tampered unlawfully with my legitimate
00:50 renewal of my practice
00:52 certificate including my partners and
00:55 have jeopardized my
00:57 firm. I'll show you this. So this is my
01:00 law society portal and right now there
01:04 is renewals for um practicing
01:07 certificates and so this is what happens
01:09 my renewals there's nothing to renew and
01:13 look at this my applications associate
01:15 member and student membership now I have

01:17 been practicing for 15
01:20 years I got no
01:23 notification by the Law Society
01:25 Professional Standards Department Miss
01:27 Griswold is Director. The Registry Office
01:30 Head of Registry in Law Society is Nadya
01:34 Haddad and the Law Society Council with
01:38 the President is Jennifer Ball and the
01:41 former President is Brett McGrath and then
01:44 there's effectively 15 members the Legal
01:47 Commissioner is also is part of this now
01:51 I've been practicing for 15 years no
01:54 notice was given to me I have no renewal
01:58 ability to renew my practice certificate
01:60 and I have no ability to renew my
02:02 membership as a practicing solicitor. I
02:04 have been reduced to student membership
02:08 and associate membership. Now we have a
02:12 problem here because Law Society has
02:15 done unlawful acts. They have tampered
02:18 with my
02:19 data and evidence of me as a lawyer. Now
02:23 this is not just me. This is also my
02:25 partner. That's it. I cannot renew my
02:28 practice certificate or
02:30 membership. If they did this, you are

02:34 witnessing a

02:36 targeted discriminatory hate crime done

02:40 by the law society. No lawful

02:43 process, no due process, contempt for

02:46 the laws. They did not put me through

02:48 any NCAT. There are no orders,

02:51 determinations of any kind. I'm simply

02:55 finding out these things by ambush by

02:58 ambush because I get no notification

03:01 from the law society PSD Department or

03:04 the Law Council that they have prevented

03:07 me from renewing my practice certificate

03:09 and my my membership. Now it's very

03:12 important to understand that the Law

03:15 Society Professional Standards

03:16 Department have an interest. They have

03:20 been covering up criminality and

03:23 fraud which I have reported many reports

03:27 to them of Piper Alderman, Mr. Ford, Mr.

03:30 Glynn, Mr. Condon, Harford-Davis,

03:34 impersonation of lawyers of Natalie

03:36 Miller, Owen Nanlohy

03:40 and many more. Peter Rosier, the cost assessor

03:45 who allowed Mr. Ford to benefit from his

03:50 fraudulent accounts. No questions asked

03:53 about where is the missing funds that

03:56 Mr. Glynn's trust account has stated is
03:58 paid to his account. No questions at
04:01 all. He's a cost assessor. This went to
04:02 the New South Wales Supreme Court cost
04:04 assessment and allowed him to benefit
04:06 from his fraud. And this he was reported
04:10 to the Law Society and with this report
04:13 Law Society just closed it closed the
04:16 report because apparently he's on a
04:17 capacity of a
04:19 lawyer and shortly after gave him an
04:22 award of which Peter Rosier stated himself
04:26 he has no idea why he got an award from
04:28 the Law Society and then we have the
04:31 former uh Legal Commissioner who covered
04:34 up all the uh Reports that I made of
04:37 Piper Alderman. He even responded on behalf
04:39 of Natalie Miller. He has no
04:42 jurisdiction to determine unqualified
04:44 persons um the Legal Commissioner's
04:46 office. He actually has to put it to the
04:48 PSD, but he blocked it. And although I
04:51 also reported it and directed that
04:53 report to the PSD, they also did acts
04:55 and things to close it. And so Miss
04:57 Miller and all the people I have

04:59 reported continue to practice. We have a

05:02 law society who condones fraud,

05:05 criminality and impersonation of

05:07 lawyers. They have a very important

05:10 function in our society and that is to

05:12 uphold the law to ensure the integrity

05:15 of our courts and our profession and to

05:17 actually govern the

05:19 lawyers, the solicitors in this case

05:22 because it's a Law Society. But they

05:24 don't care about that. They want to

05:26 cover up fraud and

05:28 criminality when they pick and choose

05:30 who to protect. So the people are

05:33 reported are operating above the law.

05:35 Now the law society also received

05:38 evidence of the fraud committed uh by

05:40 the New South Wales Supreme Court

05:42 Justices Leeming & Kirk and Basten and

05:44 White. And what do you think the Law

05:47 Councils

05:48 did? They simply ignored my notice. It's

05:52 been about nine months now. ignored it.

05:55 And the Law Professional Standards

05:58 Department and the Law Law society had

06:03 predetermined and agreed to fabricate

06:06 findings of misconduct against me and my

06:09 partner of which there is no evidence of

06:12 such findings of misconduct. And in

06:14 fabricating it, they want me to admit to

06:16 their fabrication of findings of

06:19 misconduct. They listed my private civil

06:22 cases of findings of

06:24 misconduct where there's no

06:27 determination or any statement of

06:30 misconduct anywhere in a

06:32 judgment or in court transcript because

06:35 it's not even an issue that was

06:37 addressed by any court. We were never

06:39 before any court and we have the law

06:42 society professional standards

06:44 department with the 15 members of law

06:47 council fabricating findings of

06:50 misconduct alleging it against us and

06:53 then mocks us and states you have not

06:55 disclosed the very thing they created in

06:59 2024 of misconduct. They say I have not

07:02 disclosed in my declaration a

07:05 renewal since 2017

07:08 onwards. They effectively are stating

07:10 that I'm a

07:12 fraud all these

07:15 years. So they went for my practicing
07:18 certificate tampered with it that in the
07:20 financial 2024
07:22 25 and only notified me after they did
07:25 the deed the unlawful deed. And then
07:30 when I gave them notice in August last
07:32 year 2024 that they are engaging in
07:35 corrupt unlawful acts, the Law Society
07:38 Council ignores me. To date, no answer.
07:40 The PSD ignored me and only responded to
07:44 me because I wrote an email to the head
07:48 of registry asking what happened to our
07:52 membership. We were shocked. We looked
07:55 at our portal and it's like where's all
07:56 our data? We're not we're not on the
08:00 record. We're no longer searchable. Our
08:02 data simply disappeared. They're just
08:04 doing fraudulent acts after another and
08:08 we're just caught by ambush because no
08:10 notice is given to us. I sent an email
08:14 to the head of registry, Nadya
08:18 Haddad, and asked her what happened to
08:21 our membership. You know what she did?
08:24 She ignores that email. Shortly after in
08:28 March 24 this year, a letter came from
08:32 the PSD Department where she assigned

08:35 herself on our

08:37 matter and states that she's now the PSD

08:40 officer on a matter removing Miss

08:43 Griswold of which I have alleged that

08:45 Ms Griswold had done unlawful acts and

08:47 uh fabricated uh findings of misconduct

08:50 which does not exist. And Ms Haddad

08:53 completely ignores the email that was

08:55 sent to her asking what happened to our

08:57 practice certificate and our membership.

08:59 She just ignores it. And then she says

09:01 to me and Mr. Bryl that she says, "Thank

09:05 you for letting us know of our error."

09:08 Nobody said anything about error. And

09:10 this is how dishonest this woman is. She

09:13 writes on the letter head of the Law

09:16 Society Professional Standards

09:17 Department and says thank you for giving

09:20 us notice of the error that it's an

09:24 allegation of

09:26 misconduct. Nobody ever said that they

09:29 made any error. I said to them that they

09:32 have engaged in unlawful corrupt conduct

09:34 of fabricating a statement of fact of

09:38 misconduct. Now she's saying, "Oh, it's

09:40 an allegation. It's irrelevant whether

09:42 it's an allegation or a statement of
09:45 fact. It is still a fabrication of
09:48 misconduct. And that's the mockery I
09:50 get. That's the gross honesty of someone
09:54 as an officer in the Law
09:57 Society who is supposed to be of
10:00 integrity and honesty. And not only is
10:03 she a PSD officer, she is a lawyer. So,
10:06 she's fully aware what she's doing. And
10:08 then she continues to rely on the
10:11 fabricated misconduct.

[#PSA](#) [#breaking](#) [#womaninlaw](#) [#poc](#) practising law in NSW Australia facing blatant corruption & criminality within [#legalprofession](#) & finance sector. [#modusoperandi](#) [#bankfraud](#) [#storytime](#) [#inprogress](#) unlawful acts. The Law Society of NSW has unlawfully tampered with the legitimate renewal of my & my partner's practising certificates without due process nor notice of such actions being done. They then silently stripped us of our memberships, rights & benefits by tampering & removing our data / evidence of us as lawyers from the Solicitors Registry. Preventing us from meeting our obligations & making required applications. All done without notice, no due process & contrary to established laws & processes. We were never before any court/tribunal. There are no orders nor determinations.

You are witnessing a targeted hate crime in progress done in office in LSNSW by lawyers!

The stakes are high, as we are victims & witnesses with documented evidence of this corruption & systemic modus operandi using our courts. We are also a threat as we are helping other victims & representing them in their cases against [#CreditCorp](#) [#creditcorpgroup](#)

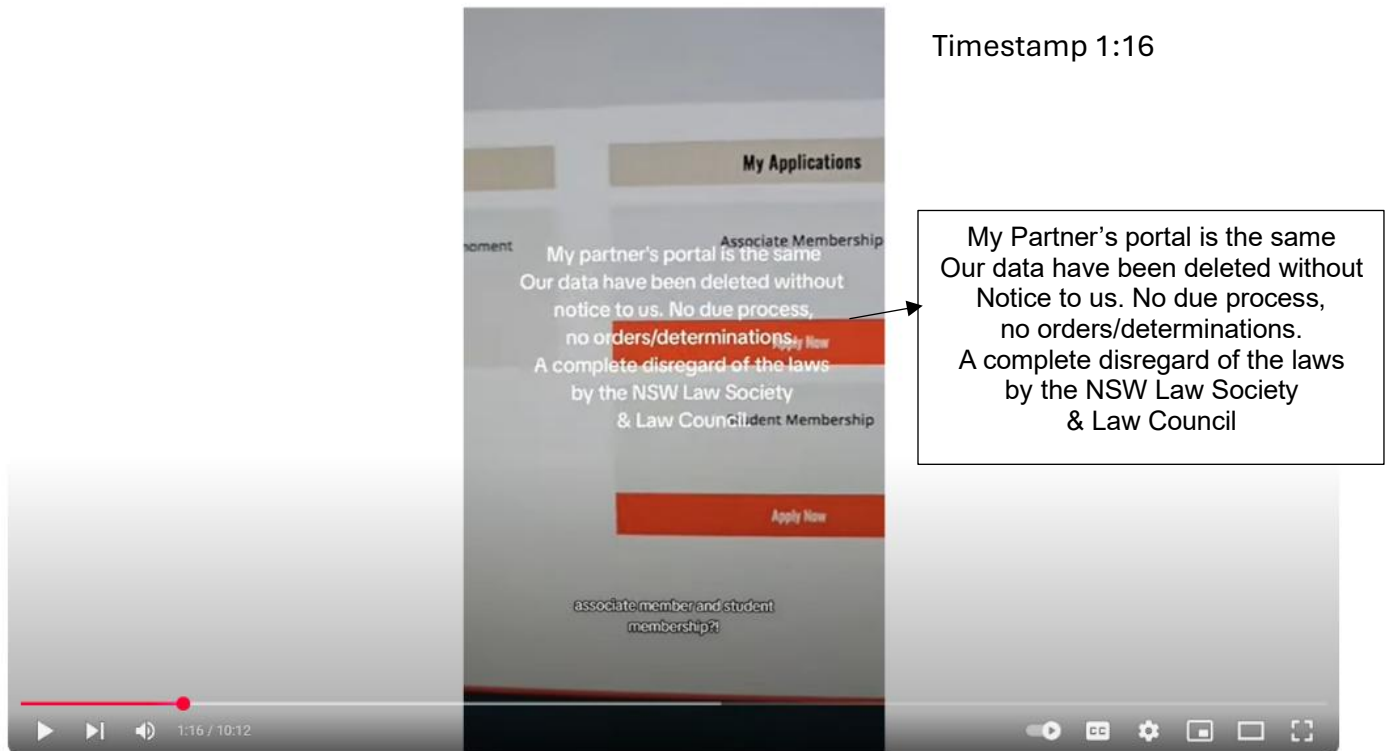

This is a national emergency where our courts & rule of law are compromised. There is an undisclosed caste in [#legalprofession](#) where Titles / Positions of power are placed above the Law. There are those operating above the law. They are protected by the NSW legal regulators who will prosecute innocent persons who make reports & speak up. The cover-ups & fraudulent acts in this case are insurmountable. We, as a society, as taxpayers, pay for these unlawful acts done in office / court. Such injustices affect us all. You can look up what happens to society when laws are systemically disregarded by those entrusted to uphold & protect it. A society of [#unlawfulness](#)

The consequences are [#generational](#) You are witnessing one of the most documented unlawful acts recorded in Australian history, where they are trying to destroy and silence me, my partner & my firm, who are helping victims & taking action to expose this cancer in our system. We need help fighting these corporations & the continuous infliction of oppression & injustice. You can help by liking, sharing, saving & commenting on this video. Further info on how to support & donate will be shortly provided via bio & website. We have created an Odtojan Bryl Justice Project, so if one can help & be part of our team, reach out to us 🙏🔥 [#lawyer](#) [#auslaw](#) [#lawsocietyofnsw](#) [#practisingcertificate](#) [#ruleoflaw](#) [#justice](#) [#violence](#) [#victimofabuse](#) [#financialcrime](#) [#womaninlaw](#) [#minority](#) [#fightinjustice](#) [#victim](#) of [#StGeorgeBank](#) [#WestpacBank](#)
